Stay Put
Scarf

The **Rock and Not to Roll** stay put scarf is knit with a worsted weight yarn for a warm, cozy scarf for those extra chilly days. The loop on one end construction of this scarf makes it so you can don your scarf without fussing to keep it on. The loop end is knit in standard ribbing with a provisional cast on. After joining to create the loop, you switch to one-color flat brioche knitting. The brioche gives this stay put scarf its extra squish!

Happy Knitting,
Casey

Switch to project yarn. Knit one row.

The Loop

Work the following 2 rows for 10 inches. Roughly 32 times/64 rows.

At this point you may want to mark the right side of your work with a removable stitch marker.

Row 1 (RS): (K2, P2)* until last 2 sts., K2.

Row 2 (WS): (P2, K2)* until last 2 sts., P2.

Joining The Loop

Transfer provisional stitches from cast on to spare needle while unpicking your provisional cast on scrap yarn.

With live stitches from the last row you worked in front, bring provisional sts to the back by folding the fabric in half. Your needles should be parallel to each other.

Work a **Row 1** (above) by working 1 st from the front needle with 1 st from the back needle at the same time. This will join your loop.

Step 3: Slip both sts. on your right needle back to your left needle.

Step 4: Knit both sts. together through the back loop.
